Subject: Testing Well

Good evening Robert,

Great to see you at the meeting on Thursday. A lot was covered and it is nice to see momentum building moving forward.

I spoke with a constituent this evening named Sara Briggs who lives at Ex. 6 - Personal Privacy
Ex. 6 - Personal Privacy She wanted to inquire about having her well tested. I remember Thursday evening that there was a particular individual for CFAC that could be contacted regarding this request. Would you happened to have his contact number?

Thanks for any help you can provide with this.

Best,

Zac
